- 5-1.10 The existing priority of employment lists under the 2000-2003 agreements shall continue to exist under this Article.

- 5-1.11
- a) By June 1st, the board shall update the priority of employment list in clause 5-1.10 by adding the names of those who are eligible and by adding the cumulative seniority projected to June 30th of the school year.
 - b) By June 15th, each teacher on the priority of employment list shall receive by mail a letter informing her/him when and where, in each school, the list in (a) above will be posted. At the same time, a copy of the letter and the list shall be forwarded to the union. The teacher who contends that his or her name has been omitted from the list or that the seniority has not been calculated correctly shall notify the board in writing within the fifteen (15) days following the posting of the list.
 - c) If required, a correction will be made to the list within the twenty (20) days following the receipt of the notification in subparagraph (b) and the teacher and the union will be advised in writing accordingly.

- 5-6.11 Every letter of warning placed in the teacher's personal file shall become null and void one hundred (100) workdays after the date on which it is issued unless it is followed by a disciplinary measure on the same subject or a similar subject within that period.
- 5-6.12 Every letter of reprimand placed in the teacher's personal file shall become null and void two hundred (200) workdays after the date on which it is issued unless it is followed by a disciplinary measure on the same subject or a similar subject within that period.

- 5-6.15 For the purposes of the periods prescribed in clauses 5-6.11 to 5-6.13, the teacher must have been at work in the employ of the board for at least half of those days.

- 5-7.01 The board may only terminate a teacher's contract of engagement for one of the following reasons: incapacity, negligence in the performance of his or her duties, insubordination, misconduct or immoral behavior.

- 5-7.02 The board or the principal may relieve the teacher temporarily of his or her duties, with or without total salary.

- 5-7.03 The teacher and the union must be informed by written notice sent by registered or certified mail, by fax, or delivered by hand or bailiff of:

- a) the board's intention to terminate the teacher's engagement;
- b) the date on which the teacher was or will be relieved of his or her duties;
- c) the basic facts, for information purposes, and the reasons supporting the intention to dismiss the teacher, without prejudice. No objection may be based on the insufficiency of the facts provided.

- 5-7.04 As soon as the union is notified, it may investigate and make the representations it deems necessary.

- 5-7.05 A teacher's contract of engagement may only be terminated between the fifteenth and the thirty-fifth day from the date on which the teacher was relieved of his or her duties, unless the board and the union agree in writing on an extension of the time limit.

The contract may be terminated only after deliberations at a meeting of the council of commissioners or of the board's executive committee.

- 5-7.06 At least twenty-four (24) hours before the meeting is held, the union shall be notified of the date, time and place where the decision to terminate or not the engagement shall be made. The union and the teacher concerned may intervene and be present during the vote at the public meeting. The union and the board shall determine the terms and conditions of the intervention.
- 5-7.07 Within three (3) workdays of the board's decision, the board shall send a notice to the teacher and the union by registered or certified mail, by fax, or delivered by hand or bailiff of its decision to terminate or not the teacher's contract of engagement and, as the case may be, of the date on which the teacher resumed or is to resume his or her duties.
- 5-7.08 If the board does not terminate the contract of engagement within the time limit prescribed, the teacher shall regain all his or her rights, including total salary, as though he or she had never been relieved of his or her duties.
- 5-7.09 In the case where criminal action is taken against the teacher and the board considers that the nature of the accusation causes it serious prejudice as an employer, it may relieve the teacher of his or her duties without total salary until the conclusion of his or her trial. The time limit prescribed in clause 5-7.05 shall begin as of the date on which the teacher informs the board that he or she has received a judgment; such notification must be given within twenty (20) days of the date on which the judgment was issued.
- 5-7.10 The board agrees not to invoke the absence of legal qualifications to terminate the contract of a teacher engaged as such.
- 5-7.11 Should the union wish to submit a grievance, it must do so in accordance with Article 9-2.00.
- 5-7.12 The arbitrator hearing the grievance shall decide whether the procedure prescribed for the dismissal was followed and whether the reasons given by the board in support of such a dismissal constitute one of the reasons for termination specified in clause 5-7.01.

The arbitrator may modify or annul the board's decision, if the procedure prescribed was not followed or if the reasons for dismissal are not justified or do not constitute sufficient cause for dismissal, may order that the teacher in question be reinstated in his or her duties and may determine, if need be, the amount of the compensation to which he or she is entitled.

5-8.00 NON RE-ENGAGEMENT

- 5-8.01 This Article applies to regular teachers only.
- 5-8.02 The board may decide to non re-engage a teacher for one of the following reasons only: incapacity, negligence in the performance of his or her duties, insubordination, misconduct, immoral behavior and surplus of personnel within the framework of Article 5-3.00.
- 5-8.03 The union must be informed no later than May 15 of each year, by means of a list to this effect, sent by registered or certified mail, by fax, or delivered by hand or bailiff, of the board's intention not to renew the engagement of one or more teachers. The board must also forward such a notice to the teacher concerned. However, this clause does not apply to non re-

engagement because of a surplus of personnel within the framework of Article 5-3.00.

5-8.04 As soon as the union receives the list, it may investigate and make the representations it deems necessary.

5-8.05 At least twenty-four (24) hours before the meeting is held, the union shall be notified of the date, time and place where the decision regarding non re-engagement shall be made.

The union and the teacher concerned may intervene and be present for the vote during the public meeting. The board and the union may determine the terms and conditions of the intervention.

5-8.06 The board must, before June 1st of the current school year, send a written notice by registered or certified mail, by fax, or delivered by hand or bailiff to the teacher concerned and the union of its decision not to renew the engagement of the teacher for the following school year. The notice must contain the reason or reasons justifying the board's decision.

A decision concerning a non re-engagement may be made at a meeting of the council of commissioners or of the board's executive committee only.

5-8.07 The union may, if it claims that the procedure provided for in this Article was not followed, submit a grievance to arbitration in accordance with Article 9-2.00.

5-8.08 The union may, if it contests the reasons given by the board, submit a grievance to arbitration in accordance with Article 9-2.00, but only if the teacher has been in the employ of a board, a school administered by a government ministry or another educational institution designated by the Minister, in which he or she held, with the same employer, a pedagogical or educational position¹ for two (2) periods of one hundred and sixty (160) workdays or more or, if there was a change in employer, three (3) periods of one hundred and sixty (160) workdays. Each period falls in a distinct year of engagement included in a continuous period not exceeding five (5) years.

5-8.09 The arbitrator hearing the grievance shall decide whether the procedure prescribed for the non re-engagement was followed and, where applicable, whether the reason or reasons given by the board in support of the non re-engagement constitute one of the reasons for non re-engagement mentioned in clause 5-8.02.

The arbitrator may annul the board's decision if the procedure prescribed was not followed or if the reason or reasons for non re-engagement are not well-founded or do not constitute sufficient cause for non re-engagement, may order that the teacher in question be reinstated in his or her duties and may determine, if need be, the amount of the compensation to which he or she is entitled.

5-8.10 The lack of legal qualifications may not be invoked against a teacher who has met, within the time limits prescribed, the conditions set for obtaining the legal qualifications but who has not produced the required documents due to an administrative delay not attributable to her or him.

¹ Within the meaning of the Règlement définissant ce qui constitue une fonction pédagogique ou éducative aux fins de la Loi sur l'instruction publique (L.R.Q., 1981, c. I-14., r. 9) in effect on June 30, 1989.

Section A Resignation

- 5-9.01 The teacher shall be bound by his or her contract of engagement for the duration specified therein. However, the teacher may resign from the board without penalty fifteen (15) workdays after notifying the board. The teacher may resign prior to the expiry of the time limit, provided the board engages a replacement for the teacher.

In the case of a resignation submitted between June 15 and the first workday of the school year, the time limit is fifteen (15) days.

Section B Breach of Contract

- 5-9.02 When a teacher does not report to the principal or does not assume the duties to which he or she is assigned and fails to give valid reasons for the absence within five (5) workdays from the beginning of the absence, the absence and failure to give valid reasons constitute a breach of contract, retroactive to the date of the beginning of the absence. There is no breach of contract if the teacher does not give valid reasons within the time limit prescribed due to physical or mental incapacity or due to circumstances beyond his or her control, proof of which shall be the responsibility of the teacher.
- 5-9.03 A teacher who is on a leave without salary that terminates at the end of a school year and who fails to give notice of his or her intention to resign within the time limit specified in clause 5-9.01 shall be considered as returning to work. However, the teacher who does not return to his or her position on the first workday of the school year during which he or she must return to work shall be in breach of contract as of the second workday of that same year.
- 5-9.04 The fact that a teacher uses his or her leave of absence without salary for purposes other than those for which he or she obtained it may constitute a breach of contract as of the beginning of the leave, unless there is an agreement between the teacher and the board.
- 5-9.05 Failure on the part of a teacher to signify, under clause 5-7.09, that a judgment has been rendered in his or her case within the time limit specified in that clause constitutes a breach of contract by the teacher, commencing from the date on which he or she was relieved of his or her duties.
- 5-9.06 In the case of a breach of contract within the meaning of clause 5-9.02, 5-9.03, 5-9.04 or 5-9.05, the contract shall not be terminated automatically. Such a breach of contract shall constitute a reason for dismissal and shall have the effect of allowing the board to terminate a teacher's contract of engagement according to the procedure prescribed in clauses 5-7.03, 5-7.04 and 5-7.06.
- 5-9.07 Such termination is retroactive to the date specified in clauses 5-9.02 to 5-9.05.
- 5-9.08 Such a breach of contract cannot have the effect of canceling the payment to a teacher of any amount owing under the agreement.

In so doing, the examples listed in Annex L-I shall serve to guide their decision.
- 5-11.04 A teacher unable to report for duty shall endeavour to give notification beforehand to the authority designated by the principal and report the reason for the absence upon her/his return to work on the Certificate of Absence Form
- 5-11.05 In the event that the board does not accept the reason provided in clause 5-11.04, it shall advise the teacher of the reason within the ten (10) days following her/his return to work.
- 5-11.06 If a principal or the board requires a teacher to leave the school/centre premises in order to seek medical treatment when circumstances are such that, in the best interests of all concerned, this course of action is deemed advisable, the union delegate shall be advised of this decision. In the absence of the union delegate, the union shall be advised immediately.
- 5-11.07 A principal who, with due regard for the provision contained in clause 5-11.06 requires a teacher to leave the school/centre premises, shall be required to send immediately to the Human Resources Department a written statement, giving the reason for such action. The board agrees to make no claim against the teacher in this respect, unless a teacher has been found guilty of serious fault or gross negligence by a court of law.

5-12.03 As soon as the legal responsibility of the board has been established by a court of law, the board shall indemnify every teacher for the total or partial loss, theft or destruction of personal belongings which by their nature are normally used in or brought to school, unless the teacher has shown gross negligence which has been established by a court of law. However, in the case of theft due to breaking and entering, or of destruction due to acts of God, such as a fire, the board shall indemnify the teacher even if its legal responsibility has not been established. In the event that such loss, theft or destruction is already covered by insurance held by the teacher, the compensation paid shall be equal to the loss actually incurred by the teacher.

 - e) each teacher on the recall list shall receive by mail or email a letter informing her/him when and where, in each building of the centre, the updated recall list will be posted. At the same time, a copy of the letter and the list shall be forwarded to the union. The teacher who contends that his or her name has been omitted from the list or that the seniority has not been calculated correctly shall notify the board in writing within the fifteen (15) days following the posting of the list. A distinction shall be made on the recall list between legally qualified and non-legally qualified teachers.
 - f) if required, a correction will be made to the list within the twenty (20) days following the receipt by the board of the notification in paragraph (e). The teacher and the union will be notified in writing accordingly.

- 13-3.04.1 The board shall remove from the recall list the name of the teacher:
- a) who has not taught a minimum of seventy two (72) hours with the board in two (2) different school years over the last three (3) school years.

Such offer must specify that refusal will lead to the removal of the teacher's name from the recall list.
 - d) who has refused to complete and return her/his preference and availability form in accordance with clause 13-3.05.2.
 - e) who has left the service of the board during the course of an engagement unless the board accepts the reason for the departure.
 - f) who has obtained a full-time teaching contract.
 - g) whose employment was terminated for one of the reasons foreseen in Article 5-7.00, in which case the teacher shall have the right to contest the grounds for termination in accordance with Chapter 9-0.00.
- 13-3.05.1 When distributing workloads (contracts) to teachers, subject to the provisions of clause 13-3.05.2 a), the board shall respect the following provisions:
- a) By June 1st, the board shall post in each centre and on its website the provisional list of needs to be filled. This list shall be updated throughout the year and reflect any additional needs that are identified prior to their being filled. An administrative version of this list shall be transmitted to the union within the briefest delays indicating the teacher who has been assigned to fill each of the needs.
 - b) beginning with the most senior legally qualified teacher on the recall list in accordance

with clause 5-3.08, the board shall offer her or him a post in the category concerned failing which, the board shall offer her or him a post (contract) for which he or she meets the assignment criteria of clauses 5-21.05 (a) and 13-12.02, as well as the particular requirements of the post, in accordance with clause 5-21.06. In so doing, the board will structure the teacher's workload in order to create the most complete posts possible, i.e., an average of twenty (20) hours per week, normally, a weekly maximum of twenty-four (24) hours, and an annual maximum of seven hundred and twenty (720) hours. If there are no legally qualified teachers on the recall list, the board shall give priority to legally qualified teachers who are not on the recall list to fill vacant teaching positions. It is only in the absence of legally qualified teachers that the board may refer back to the list and distribute remaining posts to non-legally qualified teachers.

- c) if additional posts are formed during the school year, they shall be offered to the most senior teacher whose workload has not attained the maximum on condition that the teaching schedule is compatible with the teacher's existing schedule or can be modified to be compatible.

13-3.05.2 In carrying out the procedures in 13-3.05.1, the board shall respect the following provisions:

- a) by June 1st, the board shall forward to each teacher whose name appears on the recall list or who has taught for the board during the current school year a preference and availability form (Annex L-XV) by which the teacher shall indicate her/his workload preferences [programs, modules, language(s) of instruction, building(s) of the centre] and specify any period of non-availability for work.

Any change in the teacher's availability or preferences must be submitted in writing to the board without delay and a copy shall be sent to the union within the fifteen (15) days following its receipt.

 - the building of the centre
 - the beginning and ending dates
 - the total number of hours foreseen
 - the nature of the engagement (type of contract, percentage, or hourly rate)
- c) at the completion of each semester, the information provided in (b)above shall be updated and forwarded to the union.

13-3.05.3 Subject to the information submitted on the preference and availability forms and proceeding by seniority, summer courses shall be offered to legally qualified teachers on the recall list who volunteer, and who meet the assignment criteria of clauses 5-21.05 (a) and 13-12.02 as well as the particular requirements of the post in accordance with clause 5-21.06. Hours completed in summer courses shall be recognized for the awarding of a contract and for purposes of seniority calculation up to a maximum of seven hundred and twenty (720) hours per year.

- 13-3.05.4 If a teacher accepts a part-time contract, and later in the process, a full-time post becomes available for her/him, she/he shall be assigned to that post on paper but shall remain in her/his present post provided that the latter is a post at one hundred percent (100%). Should the part-time post not be at one hundred percent (100%), the teacher will actually transfer to the full-time post.
- 13-3.05.5 Notwithstanding clauses 8-12.04 (e) and 8-12.05, should a new group be created after October 15th, the director shall submit a new workload to the teacher within fifteen (15) calendar days.

The board shall not consider a teacher referred to in the preceding paragraph who notified the board prior to June 1st of a given school year that he or she would not be available to hold such a position during the following school year.

- b) Moreover, sub-clause (j) of clause 5-3.36 is replaced by the following: When the union contests, by means of a grievance, the decision of the board to not grant a position to a teacher whose name is entered on the recall list prescribed by Article 13-3.00, the board must establish that its decision is well founded.
