

**Trigger for part-time contracts in AE and VT
(clauses 11-8.03 and 13-9.03)**

1. Background

The 2010-2015 entente had reduced the minimum threshold for a teacher to be awarded a part-time contract to provide instructional hours in a single school year from 480 to 240 hours (AE) and from 432 to 216 hours (VT); the 2020-2023 entente takes this a step further, reducing the threshold to 200 and 144 respectively.

2. Content

11-8.03

The board shall offer a part-time or replacement teacher contract in the following cases:

- a) to provide, during the same school year, a predetermined number of teaching hours equal to or greater than ~~240~~ 200 hours;
- b) to provide, during the same school year, a number of teaching hours over and above the ~~240~~ 200 hours already taught, provided that the number of hours exceeding the ~~240~~ 200 hours in that school year be predetermined as equal to or greater than 25 hours.

[...]

13-9.03

The board shall grant a part-time or replacement teacher contract in the following cases:

- a) to provide, during the same school year, a predetermined number of teaching hours equal to or greater than ~~216~~ 144 hours;
- b) to provide, during the same school year, a number of teaching hours over and above the ~~216~~ 144 hours already taught, provided that the number of hours exceeding the ~~216~~ 144 hours in that school year be predetermined as equal to or greater than 25 hours.
